We had a good trip with a vast improvement in our play. We are now all looking forward to the next tournament on the 30th November in Manchester where we are hoping we can come out as overall victors.

Plymouth 3 - Middlesborough 4 An entertaining match, and although we were down 3-0 at one point we defended well, goals by Nathan Josh and Zoe bought us back into contention but we just couldn't get that equalize. Plymouth 4 - Halifax 6

A similar start to the last match by Halifax enabled them to gain a 3-0 lead. After a determined effort from the Plymouth team with 1 goal from Josh and 3 from Zoe we managed to get into the lead. Unfortunately Halifax came back to score 3 goals in 2 minutes despite Zoe stopping 9 slap-shots in a row with her thigh. Well palyed all.

Plymouth 1 - Manchester 8

Manchester hit us with 7 goals in the first half! After tightening our defence in the second half they only managed to score 1 further goal. Josh saved us from the whitewash by scoring with only 42 seconds left on the clock.
